## JNC 18's Objectives

Centrepiece of the Tunisian Chemical Society, the "Journées Nationales de Chimie" - JNC - scheduled periodically every two years, constitute a big event not only for the Tunisian chemists family but also for our friends chemists neighbouring countries. We do hope that **JNC 18** will be an exciting forum to discuss the latest advances in chemistry science and research in the academic field as well as in the industrial one.

## Program of the JNC 18

The program of JNC 18 includes:

- plenary lectures (40 minutes)
- invited lectures (30 minutes)
- oral (15 minutes) and posters communications
- an exhibition of scientific equipment

The full program will be available later on the website of the SCT.

A booklet containing all the conference abstracts and papers will be distributed to participants. Authors are required to provide a summary of an **A5 page** in MS-Word format according to the following instructions:
