

The Tunisian Chemical Society, Laboratory LEEEP and Gabes University Organize

1ST WORKSHOP ON ENERGY, ENVIRONMENT, PROCESS AND MATERIALS, INNOVATION FOR A SUSTAINABLE FUTURE

EEPM'25: 26-27 November 2025 - Conference Room of Gabes University

CALL FOR PARTICIPATION
Oral presentations and posters

This scientific Workshop will provide participants with the opportunity to share their research works and facilitate enriching exchanges between academics and industry professionals. Participation proposals can fall under one of the various themes. The Workshop aims to foster interdisciplinary collaboration and promote innovative solutions to address global challenges related to energy, the environment, Process and materials.

Topics

Innovations in Renewable Energy
Sustainable technologies for the Environment
Water Management Technologies
Sustainable Materials and Circular Economy
Process Optimization for Sustainability

Coordinators **Bechir CHAOUACHI**
Mustapha HIDOURI

 Phone: +216 29 26 91 26

Subscriptions

Oral and Poster Presentation : 150DT
Accommodation on request
Abstract submission via email to
[**mustaphahid@gmail.com**](mailto:mustaphahid@gmail.com)

Chairman: Prof. Mehrez Romdhane
President of Gabes University

Organizing Committee

Mehrez Romdhane	Nader Frikha
Bechir Chaouachi	Fatma Mokded
Mustapha Hidouri	Amal Amor
Noureddine Hajjaji	Ali Benhmidene
Zouhour Khila	Mounira Mkaddem
Asma Farhat	Houcine Ben Daoued
Amira Reguigui	Sandra Walha
Ali Rayes	Faten Chaouachi
Boubaker Haouari	Iness Baccar
Nadia Nasfi	

Scientific Committee

Pr. Slimane Gabsi	Mc. Walid Elfalleh
Pr. Mehrez Romdhane	Mc. Mustapha Hidouri
Pr. Béchir Chaouachi	Mc. Mounira Mkaddem
Pr. Nader Frikha	Mc. Samia Ben Ali
Pr. Noureddine Hajjaji
